Summary

I am a recent graduate with a B.Tech in Information Technology, combining my technical prowess with a genuine passion for cricket. My academic journey has equipped me with a solid foundation in IT, while my enthusiasm for cricket reflects my love for sports and team spirit.

In the professional realm, I bring 2 years of experience in Flutter development, having worked both independently and collaboratively in diverse projects. As a Frontend Developer, I have cultivated strong teamwork, problem-solving, and communication skills. This experience has not only refined my technical abilities but has also instilled in me the importance of effective collaboration and adaptability in dynamic work environments.

Looking towards the future, my goal is to contribute my skills and dedication to a reputed company. I aspire to deliver impactful solutions that align with organizational objectives, fostering both personal and professional growth. Alongside providing the expected work for the company's prosperity, I am eager to earn a competitive salary and further enhance my leadership skills.

For any professional inquiries or opportunities, please don't hesitate to contact me directly. You can reach me via phone at +917041149278 or drop me an email at purv360@gmail.com. I am excited about the prospect of connecting with fellow professionals and exploring potential collaborations that align with my aspirations.
